

Annual DGRM Conference 2021, Munich, Germany

Information regarding poster submission

Dear colleagues,

since the conference programme has been finalised (accessible on our [homepage](#)), we can proceed by giving you further information regarding the poster submission.

Each poster shall be presented in form of a short lecture (90 seconds maximum). The deadline for poster submission is 12th. August 2021. In addition to a .pdf-file, a short video (90 sec. maximum) with 3 to 4 powerpoint slides is to be submitted. The first slide shall present the title and the names of the authors (see the attachment).

Instructions regarding the video creation and file submission are linked to our homepage.

The files are to be named as follows: poster number, first author's family name, keyword regarding the topic.

Example: P-FM-57 Graw Postersubmission.ppt and P-FM-57 Graw Postersubmission.pdf

If you have questions, please contact Mr. Stan Kotin (stan.kotin@mediaboxtv.com) or Dr. Markus Kink (markus.kink@mediaboxtv.com).

We look forward to receiving your contributions,

Yours sincerely

Prof. Dr. med. Matthias Graw
